ABOUT MYSELF

I am currently pursuing a B.Tech in Computer Science and Design with a minor in IoT from YCCE. Alongside, I am also pursuing a B.Sc. in Programming and Data Science from IIT Madras. My interests lie in coding, exploring innovative design aspects, and leveraging technology to solve real-world problems. With a strong passion for technology, I enjoy working on projects that blend creativity with technical expertise. I am always eager to learn new skills and explore emerging technologies to broaden my knowledge and enhance my problem-solving abilities.
